 Rainbow Daze – Face Painting

Thank you for choosing Rainbow Daze to bring colour and sparkle to your child's special day! Please take a moment to read through the terms below to ensure everything runs smoothly.

1. Bookings & Payments

Parties can be booked via email, phone, Facebook, or Instagram. A **£25 deposit** is required to secure your date. This deposit is **non-refundable**. The remaining balance is due on the day of the party, no later than the end of the event. Payments can be made via bank transfer (proof required) or cash.

2. Cancellations

If you need to cancel, please provide at least **48 hours notice** before the party start time. If cancelled with less than 48 hours notice, the full party fee is payable.

3. Health & Safety

Please **inform me** of any allergies or medical conditions before any face painting begins. I use only professional-grade face paints (Fusion, TAG, Diamond FX) and cosmetic-grade glitter. I am fully insured and able to paint anyone aged 3 and over. I will not paint any child with visible skin conditions (e.g. cold sores, broken skin, rashes, eczema), but may offer to paint an arm or hand instead—this is at my discretion. I will only paint people who want to be painted and are able to give their consent. I can only paint people who are able to sit still enough to be painted safely.

4. Guest Numbers, Timing, and Supervision

My standard face painting party session is **2 hours**, which is recommended for **up to 25 guests** when using my regular design board (a mix of full faces, cheek designs, and smaller options). I can typically paint around **10–15 children per hour**, depending on the design choices. For larger groups, such as **whole class parties** (e.g. 30+ children), I offer a limited design board with quicker designs to ensure everyone has a turn within the time booked.

Alternatively, you can choose to **add extra time** (charged per additional hour or half hour) to accommodate more detailed designs or higher guest numbers. At the time of booking, please provide the **number of children** attending and their rough ages, so I can plan accordingly. **I am fully DBS checked, but it is the responsibility of parents and carers to supervise their children at all times during the party.**

5. Travel & Locations

I am based in Harold Hill (Romford, Essex). Travel within 5 miles of my location is included in the party fee. For **locations beyond 5 miles, mileage fee and travel time** will be added to your quote.

If travel by train is more practical (e.g. for central London), the ticket cost will be included in the party fee. Please let me know in advance **what space will be available** so I can bring appropriate equipment (e.g. table, chairs). I'm **happy to work outdoors** (weather permitting) as long as the space is safe and suitable. On very sunny days, I will require somewhere shady.

6. Photography & Social Media

I occasionally take photos during parties for use on Rainbow Daze social media. I will always ask permission before photographing or posting. Parents are welcome to take photos or videos. If sharing online, I'd love it if you could tag or credit Rainbow Daze.

7. Face Paint Care, Clean-Up & Party Considerations

Face painting is a special and memorable part of any celebration—but it's also temporary! I use professional products and apply them with care to ensure they last as well as possible, but face paint can be affected by heat, water, sweat, or rubbing, especially if touched before it's fully dry. What goes on must come off, so I always recommend that a grown-up takes a photo as soon as the design is finished—it's the best way to capture the magic before it fades. I may offer to 'touch-up' a face paint, but this is at my discretion and only if time allows. Please ensure that any soft play or bouncy castle equipment you may have hired knows that you have also hired a face painter. I advise you to mention this to any external providers you may have booked to ensure that they allow people with face paint to use their equipment. If you are concerned about face paint transfer, consider adding **glitter tattoos** to your package (more info below).

8. What's Included – Face Paint Package Breakdown

A standard, two hour booking runs as follows:

- I arrive 15 minutes before your booking begins to allow time to set up my face painting area.
- I paint every child/guest who would like a design. If you have a large amount of guests, I may implement a numbering system to allow your guests to enjoy the party without having to spend it in a queue!
- If I have completed everyone who would like a face paint, people may re-join the queue for additional arm/leg designs.
- At the end of your booking time, I will pack up my kit. Please ensure that you have paid me by this time so that I can get to my next booking on time without having to chase up payment
- I am happy to tailor my design board to fit your theme- please mention this to me when booking.

9. Pricing

All face paint packages are **individually priced** based on the service time you have booked, travel costs and any optional extras selected, such as hair braids, party bags or glitter tattoos. One hour bookings will be charged at a premium rate.

All prices will be confirmed at the time of booking.

If you have any questions or need to make special arrangements, please don't hesitate to get in touch. I can't wait to help make your event magical!
